Wine Attitude

Here at Ménage à Trois, we believe in living a rich fantasy life. The richer, the better, in fact! In our favorite saucy scenario, we're being seduced by royalty, helpless to resist the temptations afforded by prestige and power. Intrigued? We recommend you enjoy a regal romp of your own with the emperor of grapes, the King of Reds: Cabernet Sauvignon. Ménage à Trois traces its lineage to prestigious vineyards in three of California's premier growing regions where grapes develop majestic characteristics and distinction. So have a fling with the King! One sip, and you'll understand the true meaning of a royal flush.

Vineyard and Winemaking

Our magnificent Cab reigns supreme with bold, dark fruit flavors, exquisite, silky tannins and a long, savory finish. Made in a smooth, approachable style, this wine marries a ménage à trois of grapes sourced from three distinctive areas within California's legendary North Coast region's — specifically, Sonoma, Lake, Napa and Central Coast. Sonoma fruit brings beautiful finesse to the mix, Lake grapes add swagger and power, while Napa fruit delivers grace and charm. After barrel-aging in French and American oak, Ménage à Trois Cabernet Sauvignon emerges, garnet-hued and regal, ready to make you its latest conquest.

Tasting Notes
