Tasting Notes:

The time has come to explore your deepest, darkest desires with Ménéage à Trois Midnight. A gorgeous garnet color in the glass, this luxurious blend wraps you up in a velvety embrace. Voluptuous blackberry and plush spiced plum flavors seduce your palate, while hints of mocha and exotic spice linger on your lips like a stolen kiss. Silky and smooth with a long, powerful finish, you'll wish Midnight could last forever.

Wine Attitude:

At Ménéage à Trois, we're not shy or inhibited; in fact, we're known for creating wines that are bold and sensual—even a tad risqué. For our exciting limited-release wine, we pushed the boundaries even further. Midnight represents the dark side of Ménéage à Trois—it's our most intense expression yet, a passionate blend bursting with dusky aromas, an extraordinarily deep color, and rich, ripe black fruit. Don't be shy—turn out the lights and savor the pleasures of the dark.

Vineyard and Winemaking:

Our winemakers are definitely not afraid of the dark. For this special wine, they wanted to create a truly uninhibited blend—something deeper, darker, and bolder than ever before. In true Ménéage à Trois style, they decided that 'more is more,' and crafted a blend of not three—but four—grapes! Merlot adds a plush, velvety texture, Cabernet Sauvignon offers elegance and power, Petite Sirah lends inky intensity and Petit Verdot imparts a deep violet color and concentrated fruit. To round out the flavors the wine is aged on French and American oak. The result is a wine that leaves an indelible impression. It's mysterious and dark, soft and sensual—just like Midnight.
