pH: 3.10

Tasting Notes:

Pop the cork and enjoy a fling with a fresh Italian—Ménage à Trois Prosecco, that is! This spectacular sparkler is fabulously flirtatious and fun-loving from the first sip to the last. In the glass, delicate bubbles rise to the surface and tickle your nose, releasing a seductive floral fragrance. Refreshing citrus and bright green apple flavors dance across your palate in a burst of effervescent bliss that leads to a crisp, clean finish. Sip a glass with a fresh fruit tart, or share a bottle with someone special under the sparkling stars.

Wine Attitude:

Here at Ménéage à Trois, we know a thing or two about living la dolce vita, but we've always admired how the Italians do it with such effortless style. Made in Italy, our vivacious Prosecco has an irrepressible, exuberant personality that sweeps you off your feet. One sip, and you can imagine yourself tossing coins into the Trevi Fountain, smiling at the paparazzi, or climbing onto the back of a Vespa piloted by a flirtatious stranger. It's a fantasy come true!

Vineyard and Winemaking:

Our winemakers grabbed their passports and jetted off to Italy to create our delightful DOC Prosecco. Short for Denominazione di Origine Controllata, DOC is Italy's official designation of origin, awarded only to the highest quality wines produced in a designated region using specified methods. Made with 100% Glera grapes using the traditional Charmat method, our sparkling wine is ultra-fresh and fruity, best enjoyed young. With delicate aromas, bright, bubbly flavors and a crisp finish, we think you'll agree that Ménéage à Trois Prosecco is a world-class wine—and a world-class flirt.
