## Northern Seduction

COLUMBIA VALLEY

## RED BLEND

**VINTAGE:** 2020

**VARIETAL INFORMATION**

96% Syrah & 4% Cabernet Sauvignon

**WINE ATTITUDE**

We've had a long love affair with California, but we couldn't help but feel the seductive pull of the state of Washington. We knew we had to stray farther north because we believed wine lovers would forgive our roving eye once they experienced the magic of Washington wine country and Ménéage à Trois Northern Seduction—a red wine that's as big and bold as the Pacific Northwest itself.

**VINEYARD AND WINEMAKING**

Our winemakers were drawn to the rich, fruit-forward flavors and earthy aromatics of Washington's Columbia Valley, creating a blend of Syrah and Cabernet Sauvignon, two varietals that shine in Washington's terroir. Grapes were fermented separately with native yeasts in stainless steel to keep flavor profiles distinct. To add intensity and richness, the wine rested on skins for 35 days before being blended and transferred to barrels. The resulting blend is a bold, rich and textured wine that showcases the very best of Washington wine country.

**TASTING NOTES**

Our limited release Ménéage à Trois Northern Seduction is irresistible, so you'll have no choice but to surrender to its many charms. Aromas of black cherry and blackberry with earthy notes that lead to juicy berry and cherry flavors. Hints of sweet vanilla on the palate, with a full mouthfeel and long finish. It's the perfect wine to satisfy your wanderlust any day of the week.
